## Integrated Development Plan

The college aims to achieve following development targets for over all development of its students and staff members.

1. Renovate existing classrooms into smart classrooms with audio-visual equipment.
2. Digitize library facilities and provide access to e-books and research databases.
3. Implement Learning Management Systems (LMS) for better course delivery.
4. Upgrade existing gymnasiums and fitness centers.
5. Maintain and expand basic indoor and outdoor sports equipment.
6. Ensure regular coaching and organize intra-college tournaments to boost participation.
7. Introduce new value-added courses and interdisciplinary degree programs aligned with industry trends.
8. Achieve or renew National Accreditations (e.g., NAAC, NBA) and aim for autonomous status.
9. Establish Research Cells to promote faculty and student publications.
10. Construct specialized facilities like athletics tracks, football grounds, or swimming pools.
11. Establish partnerships with national sports organizations (e.g., Khelo India initiatives).
12. Integrate fitness assessments and wellness monitoring for the entire student body
